Dear Parents/Carers

We have made it to the end of a most unusual academic year! A global pandemic, a change in lifestyle, new school leadership just for starters! It goes without saying that there are some heartfelt thank you messages to go out to staff, parents and pupils for all the incredible work that has gone on regardless of the adversity we have faced in recent times.

Last week, our Year 5/6 children did us so proud on the Residential – it was an absolute pleasure to have them camp overnight and they really showed their best attributes to staff and each other on such an exciting adventure! Have a look at the Gallery for some of the best bits in photos. We wish our Y6 children the very best as they move onto pastures new and into the next phase of their education. Everyone at Highampton Primary will miss them so much!

Good luck Miss Ford

Miss Ford is going onto do a Masters back in Scotland and we wish her all the best for her future. Miss Ford has contributed to both supporting pupils in class and with interventions ut also given her extra time to Craft Club which has been popular. All the staff, pupils and parents wish Miss Ford well as she moves onto pastures new.

Impact of the pandemic

There are places to go for help if you need to -

You can apply for family support for basic essentials here - [Coronavirus: Welfare Support Fund - West Devon Borough Council](#)

Learn, Care, Grow together

Further advice on the county's changes can be found here - [Coronavirus \(COVID-19\) advice for people and businesses in Devon](#)

The latest guidance is that from the 16th August, if you are fully vaccinated or under 18, you will not need to self-isolate following close contact with someone who has Covid-19. You will still need to take a PCR test and isolate if it is positive.
