

Tarka Class Homework Autumn Term

1. Reading and sharing a wide variety of books is vital for children's development of a life-long love of reading. Please read with your child as much as possible (every day is best) and record in your child's reading journal. A useful website for free access to ebooks and reading /phonics resources!

[Free eBook library | Oxford Owl from Oxford University Press](#)

Phonics: Reception have started their phonics journey with phase 3 sounds, Year 1 with phase 5 and Y2 reviewing phase 5 and will start phase 6. Phonics cards to practise at home can be sent.

Activities and projects will be set termly. Homework tasks consolidate learning taking place in school. Studies have shown that home learning can be extremely important in a child's cognitive development. It has been proven that your engagement at home with your child's home learning accelerates their progress.

Thank you for your continuing support.

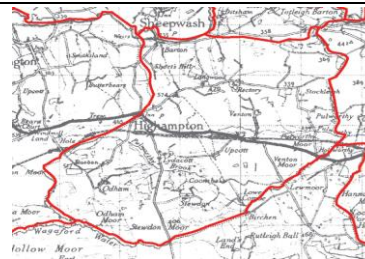

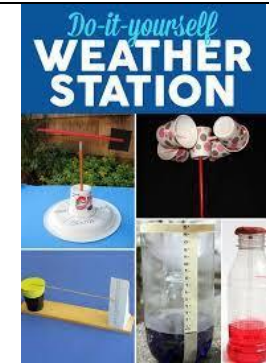

Mrs Rees Tarka Class

Homework Projects : Please choose one project for the Autumn term- have lots of fun! We are inviting parents in to see the projects and celebrate home learning on **Friday 19th November**. You will need to bring your finished project in on the week beginning **15th November**.

Project 1. Our focus this term is how we are all special and unique. Can you create a 2d or 3d piece of art that reflects how special and unique you are! It could be a collage, painting, sculpture the sky is the limit! You could use natural materials!

Project 2. Our science focus is Seasonal changes and weather. Can you design your own weather station? Can you explain how it works?

Project 3. Can you complete a research project about our local area of Highampton. It can be a video, a report or maybe a map!
