

Highampton

Community

Primary School

It has been so lovely to welcome everyone back to school after a much needed rest and recharge over the Christmas break. The children have been buzzing with everything they've done and really excited and ready for the start of a new term.

I have been made to feel extremely welcome and have absolutely loved meeting the children over the last couple of days. There will be an opportunity in the next couple of weeks for parents, carers and community members to come and meet me properly but I am always very happy to meet with parents for a chat 1:1 and if you think you'd like to do this please don't hesitate to get in touch.

As I know you are aware, I am also Principal and Bradford and Black Torrington primaries, both of which are in the Ruby Hub group of schools along with Bridgerule. Highampton Community Primary School is officially joining the Ruby Hub and will be the third in our family of tiny schools. I will be splitting my time between the three schools and you will start to see links and teamwork between the schools in the interests of giving the children the best opportunities we possibly can.

Happy New Year, from Mrs Luxford

Ruby Class have started studying the Benin Kingdom in History. They started things off by trying on some traditional costumes from West Africa.

Tarka Class have been exploring programming using Scratch
