

HIGHAMPTON PRIMARY SCHOOL NEWSLETTER

12/2020-2021

Welcome Back on 8th March

Please see the attached letter regarding the return to school for all children.

Dates for the Diary

8th March: All children back to school.

TERM 3

Music: A specialist music teacher will be visiting the school 

Swimming: Depending on Covid restrictions, we intend to go swimming on Thursdays for the last 6 weeks of term.

SWIMMING LESSONS

With Covid, the children have not been able to do as much sports activities as we would have liked, so we are pleased that we are able to go swimming as planned. However, one of the drawbacks of living in such a lovely, but rural part of the world, is that we do need transport to go anywhere. Therefore, we will be asking parents to support our swimming lessons with a contribution of £4 per child per week. This will be payable via Schoolcomms called "Swimming Contributions" and the payment request will be on your apps on 1st June.

The School is very grateful to our wonderful PTFA who are also supporting us with a contribution of £300.

TEMPEST PHOTOGRAPHY

We are arranging for a photographer to visit the school in June to take family and school photographs. The dates have yet to be confirmed, but we'll let you know in good time.

SPORTS DAY

We will be having a Sports Day this year; date to be confirmed.

Some silent readers taking advantage of our bright, new reading area.

This week has been yet another fantastic week of home learning and learning in school. I have been so impressed by the work that has been posted on Dojo and dropped into school. It has been a great opportunity to use Teams to have our Class 1 meetings. Lovely for the children to see each other. On today's meeting the consensus was that everyone is excited to be coming back to school to 'see and play with friends with dinosaurs and tractors!'

There will be some new surprises in the classroom when you come back on the 8th. There may be some living things!! I wonder what they might be?

Hopefully the weather will keep bright and sunny and we can get out and explore our beautiful school grounds! Izabella, Isla and Lexi working hard on their new English sequence based on 'Creature Features'.

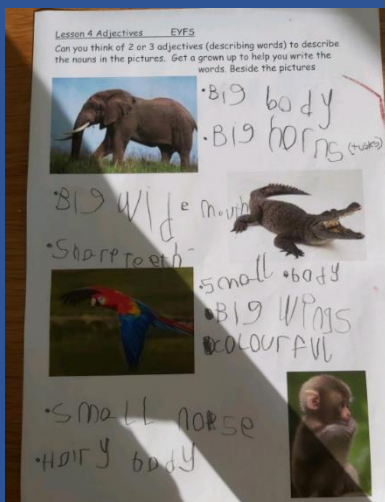

Lexi showed fantastic ordering of days of the week.

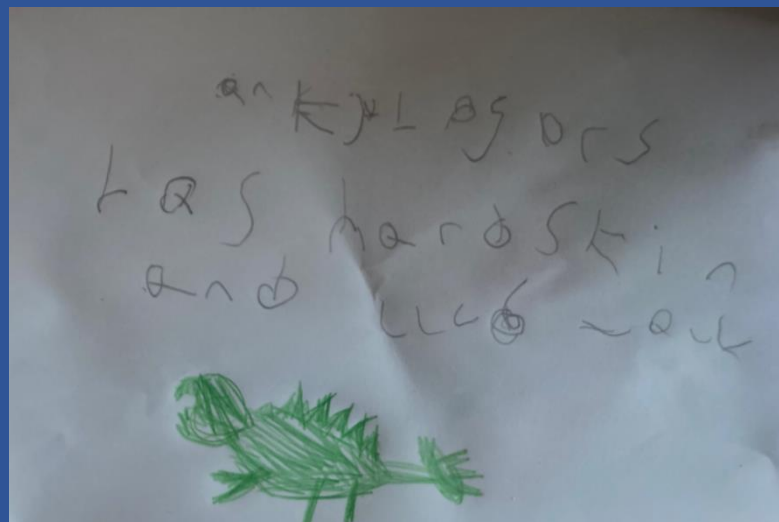

Isla and Izabella experimenting with colour mixing wheels

Albie's amazing English work.

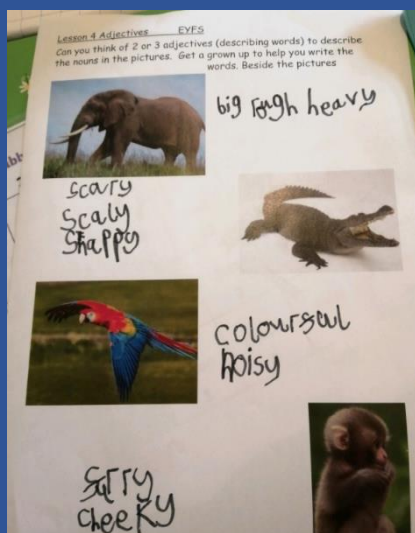

Logan's dinosaur information.

Archies fantastic bird feeder!

Ellarose's amazing English

Class 2
The children were exploring the grounds; finding interesting leaves and plants for their forest school projects.

Class 2: Working collaboratively on a welcome back surprise for the whole school
