

Thank you to parents for getting Class 2 children to school to take part in our Smart Start sessions. It does make a big difference to the beginning of the school day and to their learning.

Christmas is coming and the children will be getting excited and thinking of sending their friends cards. This year, due to Covid restrictions the children are to post their cards in our new Christmas Postbox. The cards will be distributed on the last two Fridays of term.

Last week, the school had a special visitor, Miss Scullion who is a PE teacher from Okehampton College to do some work with our lunchtime assistants to ensure that the children are active and engaged in their outdoor play. She will be coming back and doing work with teachers and children in the New Year.

Follow up parent consultations will take place in the third week of January. Sign up dates to follow.
