

In Ruby Class we will be learning...

Autumn Learning

English

The Fox and the Star - Coralie Bickford-Smith

The man who walked between the towers - Mordicai Gerstein.

The Selfish Giant - Oscar Wilde

Maths:

Place Value - How much is each digit or number worth.

Addition and Subtraction - Mental and written methods.

Times tables for everyone!

Science:

Separating Materials: Learning how pure substances make mixtures and how they can be separated out again.

Electrical Circuits: Learning about the components of a circuit and how to build one effectively.

Humanities - Geography

Water, weather, and climate: In Geography we will be learning about the different parts of weather and climate and what affects them. Within this we will be focusing upon climate change.

Humanities - History

The Anglo-Saxons and Scots: The children will learn about what life was like for the Anglo-Saxons, what they believed and why they built forts.

Computing:

Stop motion animation: We will learn how some animations are created and have a go at creating our own.

Video Editing: We will also be learning about how videos are edited.

Art: Learning to sketch: In Art we are using our sketching skills to create imaginative designs and to create Harvest Festival art work.

DT: In DT we will be making pop up books.

PE:

In PE we have weekly games sessions with Mr Pugh and weekly dance sessions with Mrs Bailey.

Humanities - RE:

What is Islam and what is life like in Britain for British Muslims.

We will also be discussing why some people believe in God and why some people do not.
