

# Curriculum Overview Tarka Class Reception 'My World and Me', 'Adventure'. Spring Term 2023.

**Literacy-** We will continue our phonics journey with our fabulous Read Write INC phonics, increasing our knowledge, sound recognition and developing our reading skills as we continue to develop our passion for reading. We will listen to high quality texts read by adults and have access to cd stories.

We will use our phonic knowledge to help us form our letters and write phrases and sentences. We will develop using Fred fingers to sound out our words before we write.

**Communication and Language-** we will have frequent opportunities to talk together in pairs, groups and as a whole class. We will develop our questioning skills and think about how we answer questions. We will be able to discuss our thoughts about events that happen and take turns to express our ideas and opinions. We will reflect on our learning and make links.

## Personal Social and Emotional Development

Spring 1 RE-Why is the word God so important to Christians?

Spring 2 Why is Easter so special to Christians?

**PHSE** Scarf units- Valuing Difference and Being myself.

## Understanding the world -The natural world

We will have fun exploring our school grounds and the wider world. We will investigate changes in the seasons and plants and animals that live in our locality and the world. Our topic Space will involve building our own role play rocket ,having lots of adventures as we blast off into space!

## People ,Culture and Communities

We will learn about where different people live in the world and about their traditions and our own family customs.

## Past and present

We will learn about entertainment through time, exploring the differences between toys now and in the past.

## Expressive Arts and Designs-

We will enjoy a range of activities including: Painting, 3D modelling, messy play, collage, cutting, drama, role play, threading, moving to music, clay sculptures, following music patterns with instruments, singing songs linked to topics. We will join KS1 to create our own virtual solar system and video our results!

**Music** - We will be using a new Kapow program helping to match the pitch of songs and playing singing games.

**MATHEMATICS** – We will continue our White Rose maths journey -  
**Alive in 5:** Introducing zero, Comparing numbers to 5  
Composition of 4 & 5,Compare mass (2),Compare capacity (2  
**Growing 6,7,8:** Combining 2 amounts, Making pairs, Length and height, Time. **Building 9 and 10:**counting to 9 and 10 ,comparing numbers to 10,bonds to 10,3dshapes,spatial awareness, patterns.

## Spring Term 2023

**PHYSICAL Development:** We are fortunate to have our **PE specialist Mr Pugh teaching one session of Pe on Wednesdays and we will also have another session of Fridays.** We will use our REAL PE program to . Co-ordination-footwork, static balance -1 leg. We will continue to enjoy our Wheelie Wednesdays exploring our grounds on bikes, scooters and trikes.
