

# Curriculum Overview Tarka Class Reception -'Growing' Summer term 2022

**Literacy-** We will continue with our fabulous Read Write INC phonics, increasing our knowledge, sound recognition and developing our reading skills as we continue to develop our passion for reading. We will listen to high quality texts read by adults and have access to cd stories.  
We will use our phonic knowledge to help us form our letters and write phrases and sentences.

**Communication and Language-** we will have frequent opportunities to talk together as a class and a group. We will develop our questioning skills and think about how we answer questions. We will be able to discuss our thoughts about events that happen and express our ideas and opinions.

## Personal Social and Emotional Development

**RE-** Which places are special and why? **Summer 2**  
Which stories are special and why?

**PHSE** Scarf units- Being my best and Growing and changing.

We have set our incubator up with 6 pekin bantam eggs which hopefully should hatch in 3 weeks!

**Understanding the world -The world Plants** -We will plant and grow a wide range of vegetables ,fruit and flowers. We will have opportunities to cultivate our raised beds in our poly tunnel and grow flowers and vegetables in our outside areas. Summer 2 our focus will be 'The Great Outdoors'. We will be learning about different habitats that animals live in, from mini beasts to tropical rainforests.

## People ,Culture and Communities

Ancient Egypt: Children will explore and investigate what it was like to live in Ancient Egypt, we will create our own classroom pyramid to enjoy our archaeologist role play zone.

**In summer term 2** we will enjoy researching about the differences in living in Devon and India. We will investigate how life is different in how people live in different cultures.

**Understanding the world-Technology.**  
We will use tablets to explore Nessy and the White Rose maths app.

**Expressive Arts and Designs-** Projects including: creating a self-portrait ,Pharaoh art, design and create an Egyptian necklace and design and create a clay cartouche compete with hieroglyphics. We will explore and learn an Egyptian dance!

**Summer 2 Mini beast sculptures-** we will use our observations from our science sessions to create marvellous mini beast sculptures.

## Music -Voices Foundation Summer 1

Songs from the Voices Foundation with instrumental work based on pitch. **Summer 2** Exploring different timbres of sounds through music about animals.

**MATHEMATICS** – We will continue to follow our White Rose maths- Reception's focus will be to 20 and beyond, First then now, Find my pattern and On the move!

We will practise counting to 20 and beyond, we will learn number bonds to 5 including subtraction facts and some bonds to 10 including some doubles facts. We will explore shape and number patterns, doubles facts and even and odds.

**PHYSICAL Development:** Developing our Athletics skills, running and throwing with Mr Pugh.

**SWIMMING** – We will start our swimming lessons at Ruby Oak Park in the second half of term where we will have weekly lessons to consolidate and improve our swimming confidence and skills.
